

Sussex County FL Inter League Competition

Covers West Sussex Football League v Sussex County FL Div 3

On 26th January 2010 the Covers West Sussex Football League Representative side played its first game in this competition away against the Sussex County FL Div 3 team at Hanbury Stadium, the home of Haywards Heath FC.

The League has not had a Representative side since 1999/2000 and has not entered into this competition which was formed following the abandonment of the Sussex County FA Inter League Challenge Cup (Intermediate Division) in 2001.

Weather conditions conspired to defer our original opening game, but congratulations must be given to the team Manager Adie Konieczny, James Baker, and Glenn Souter for their perseverance and hard work behind the scenes in putting the squad together for this game. Players responded with an excellent performance to beat the SCFL Div3 team by 3 goals to 1.

It was a hard fought game with both sides having periods of supremacy in the first half which finished 1 – 1. WSFL had taken the lead in the 13th minute through Jonas Templeman and looked in command until, against the run of play, SCFL equalised in the 20th minute. In the second half WSFL continued their passing game and had several opportunities to take the lead before Tim Martin eventually scored in the 60th minute. Continued WSFL pressure secured the third goal, again scored by Tim Martin, in the 75th minute for a 3 – 1 lead. SCFL pressed forward but were unable to breach the well organised WSFL defence in the remaining time.

Well done to the Adie, his assistants and all the squad for winning their opening game.
